

Department of Biochemistry and Molecular Biology Annual Quoc C. Le, MD, PhD Memorial Award

Summer Research Program for Medical Students, 2024

Quoc Cuong Le

This yearly award was established by Dr. Alvin Wong in remembrance of his friend and colleague, the late Quoc Cuong Le, MD, PhD (11/21/64—5/1/96). Dr. Le received his BS from Tulane in 1986 and both his MD and PhD from Tulane School of Medicine in 1992.

This award will provide \$3,000 in stipend support and \$2,500 for lab supplies to a T1 or other Tulane medical student interested in pursuing research in the Department of Biochemistry and Molecular Biology, under the supervision of a departmental faculty member over the summer.

Interested students should review our faculty webpage to see the areas of research that are available:

<https://medicine.tulane.edu/departments/biochemistry-molecular-biology/faculty>).

To apply, please email your resume and a cover letter describing your research interests to Mr. Gilbert Estrada at implant@tulane.edu no later than Friday, April 5th, 2024. Applicants will receive an email once a decision has been made by the Award Committee.

This award is limited to registered Tulane medical students and is for **Summer 2024**.

The recipient(s) will be required to provide a 1-2 page summary of work performed and any results that were achieved. This summary will be shared with our generous donor.
