

World's Top Doctors and Hospitals in Type Two Diabetes Ranked by Expertscape

*Leading Type 2 Diabetes Experts and Institutions Identified and Ranked
Using Objective, Data-Driven Healthcare Tool*

June 12, 2014 – San Francisco, CA - In recognition of the American Diabetes Association's 74th Scientific Sessions, the world's largest diabetes-specific meeting to share cutting-edge research, treatment recommendations and advances toward a cure for diabetes, Expertscape would like to recognize the top institutions and medical experts in the research and treatment of Type 2 Diabetes Mellitus. We view this venue and the mission of the ADA as the ideal backdrop in which to drive awareness of those scientists, physicians and medical centers that are at the forefront of research for this worldwide medical epidemic.

Among the individual experts and institutions demonstrating particular expertise in Type 2 Diabetes (<http://www.expertscape.com/ex/diabetes+mellitus+type+2>), Expertscape would like to recognize the following ten for their pre-eminent contributions to its understanding and treatment:
