NOTICE - If you are injured here because of things we do or fail to do, you do not have the same legal recourse as you would have against other health care providers.

La. R.S. §9:2799.5B.(1), No health care provider who in good faith gratuitously renders health care services in a community health care clinic or pursuant to an arrangement with a community health care clinic providing that such services will be rendered at the offices of a health care provider shall be liable for any civil damages as a result of any act or omission in rendering such care or services as a result of any act or failure to act to provide or arrange for further medical care or treatment or care to any person receiving such services, unless the damages were caused by the gross negligence or willful or wanton misconduct of the health care provider.

***please be aware this is a no-narcotics clinic**
