

Early Childhood System Integration Budget

For FY 2012 as Appropriated

The Early Childhood System Integration Budget (ECSIB) was created by Act 774 of the 2008 Regular Session of the Louisiana Legislature. The ECSIB is organized along the four components of Louisiana's early childhood system (access to medical care, social-emotional development and mental health, early care and education, and family support and parenting education) as opposed to by department, thus detailing the state's allocation of financial resources for children up to the age of five in these areas. Within these four areas, each department categorizes program specific information, including the lead contact person, a very brief program description, the population served, the sources of funding for the program, and the parishes being served. For each line item, actual state and federal dollars invested in the program are detailed.

SUMMARY

FY 12 Appropriated

SGF	IAT	Fees	Statutory Dedications	Federal	Total
Access to Medical Care					
\$240,017,765	\$6,696,769	\$1,453,550	\$0	\$616,902,589	\$865,070,673
Early Care and Education

Lead Agency/Contact Person	Program Name	Short Program Description	Population Served	Funding Sources	Areas Served (e.g., regions, parishes, localities)
DHH – Office of the Secretary					
Office of the Secretary Rebekah Gee	Birth Outcomes Initiative	This program is to improve Louisiana's high infant mortality rates, low birth weight and high rate of pre-term births. Improving infant mortality rates, birth weight, and rate of preterm births would result in significant improvements to not only healthcare measures, but to other areas such as social services, education, and criminal justice. Several measures will be implemented via this initiative, some will be quick implementations that improve outcomes in a short timeframe and others are long range improvements. The initiative focuses on measures and areas that contribute to high infant mortality, low birth rates, and high preterm births; ultimately improving the care to "women of reproductive age" (15-44.)	Women of reproductive age (15-44)	State	Statewide
