

Location: Sim Center, Murphy 3rd Floor

Date: 7/16/18

Time: 5-6PM

Simulation Committee Agenda

I. Call to order (Chris DuCoin)

5 minutes

Quick discussion of new simulation committee, purpose, and goals.

II. Introductions and Networking (Roundtable)

15 minutes

All attendees introduce themselves and give brief description of their role, their interest in simulation, and any simulation activities they currently run.

III. Sim Center capabilities update (Jennifer Calzada)

10 minutes

Quick overview of current Sim Center capabilities, equipment, simulators and task trainers, and resources and support provided by the Sim Center staff.

IV. What do you want to get out of this? (Roundtable)

20 minutes

Open discussion of what you want to get out of this committee? What further support do you need from the Sim Center? Where do we go from here?

V. Future Dates and Wrap Up (Chris DuCoin)

10 minutes

Open discussion of timing of committee meeting and future dates.
