

Tulane Professor & Pediatrician Receives 2019 Irwin Redlener Award

John Rokosny, Children's Health Fund

From the [Children's Health Fund's Facebook page](#)

When our guests learned about Kim Mukerjee, MD at our benefit, an exemplary physician in our New Orleans program helping immigrant families fleeing horrifying violence, there was a standing ovation. She dedicated her Irwin Redlener Award to the children she serves. WE ARE IN AWE OF YOU KIM! We know it takes a village and we are honored to be a part of this life-saving work!

Learn about her program here: <https://bit.ly/2WUkcZw>.
