

Krewe de Pink Prom to Benefit Tulane Cancer Center's Breast Cancer Research Program

Ever wish you could go back and re-live some of those key high school moments? Well here's your chance to turn back the clock while also helping to continue the fight against breast cancer!

Invite your friends and join [Krewe de Pink](http://www.krewedepink.org) for the prom of your dreams – Saturday, October 1, 7 - 11 PM, at The Jung Hotel Grand Ballroom, in Downtown NOLA.

Enjoy live music by Lacoste Band, prom pictures, a silent auction and raffles, all benefiting Tulane Cancer Center's Breast Cancer Research Program.

What should you wear? Anything goes! Full formal gowns and tuxedos. Cocktail dresses and suits. Casual chic or costumes. It's up to you! Just remember to dress or accessorize in pink, be creative and have a great time!

And of course, no prom is complete until the crowning of the king and queen. This year's royalty will be based upon who raises the most funds for the cause. The

candidates will be campaigning for donations on their dedicated fundraising pages, so check them out and support your favorites!

As always this event is a "bring your own food and drink" evening, or you can order from one of the participating restaurants who will deliver directly to your table! (Ice will be provided.) There will also be a cash bar, where you can sample the 2022 Pink Craft Cocktail Contest winners! (Learn more about the contest [here](#).)

Visit <https://www.krewedepink.org/krewe-de-pink-prom> to purchase tickets, bid on auction items, buy raffle tickets, support the prom king/queen candidates, and learn more about the restaurants who will deliver to the event.
