Match Day is one of the most anticipated milestones in a medical student's journey — a day when years of hard work culminate in a single envelope revealing where they'll spend the next chapter of their training. [Read NOLA.com's coverage of Match Day 2025 at Tulane.](#)

157 4th-year medical students at Tulane University School of Medicine matched in residency programs in more than 25 states. 22 students will stay at Tulane for all or part of their training.
