

Dr. Erin Boh Featured in The Magazine of Tulane University School of Medicine

June 08, 2011 12:00 PM

MORE
THAN
SKIN
DEEP

The Dr. Erin Boh was highlighted in the Summer 2011 issue of *The Magazine of Tulane University School of Medicine* with the faculty profile “More than Skin Deep.” The feature spotlighted Tulane Dermatology’s expertise in providing comprehensive care that goes beyond routine skin conditions, emphasizing the department’s role in treating complex cases, advancing research, and training the next generation of dermatologists.
