

Tulane School of Medicine  
**Physician Scientist Pipeline Program (PSPP)**  
**Career Development Plan**

---

This plan will be reviewed semi-annually and updates will be made based on progress and achievement of benchmarks. *Please complete the following report and return Wendy Stark ([wstark@tulane.edu](mailto:wstark@tulane.edu)) along with a **current Curriculum Vitae**.*

**Name:**

**Date:**

I. **Needs Assessment:** Briefly describe prior research training:

II. **Mentors:**

	Name; degree Department	Area of expertise	Desired skill guidance
1. Lead Mentor			
2. Secondary Mentor			
3. Tertiary Mentor			
4. Fourth Mentor			

III. **Research Plan:** Please describe the following:

1) Current research interests:

2) Specific Focus:

3) Interdisciplinary Approach:

4) Project Research Title:

5) Specific aims/hypothesis:

IV. **Goals and Benchmarks**

1) Didactic (if applicable):

2) Mentored Research

a. Specific goals for mentored research:

b. Mentored research plan and benchmarks:

3) Interdisciplinary Research

a. Specific goals for interdisciplinary research collaborations:

b. Interdisciplinary research plan and benchmarks:

4) Professional Advancements

a. Specific goals for professional advancement:

b. Professional development plan and benchmarks:

5) Goals – Overall research goals/expectations for each year of the program:

Program Year	# Peer Reviewed Publications	# Abstracts <i>Include which meetings you are targeting.</i>	# Grants Submitted <i>Include type and agency of grants. e.g., NIH-R01, foundation, industry</i>	# Presentations <i>Include number of local/regional/national/international</i>	Other Goals <i>e.g., promotion, professional service, clinical achievements, teaching</i>
Year 1					
Year 2					
Expectations for PSP program					
One Year Past Program					
Two Years Past Program					
Three Years Past Program					

V. **Resources Needed:** Outline anticipated resource needs as part of PSP program (e.g. space, research supplies, travel funds, graduate coursework):
