

CURRICULUM VITAE

NAME: MARY THERESE KILLACKEY, MD

OFFICE ADDRESS: 1430 Tulane Avenue
New Orleans, LA 70112
t 504.988.2317
f 504.988.1874
mkillack@tulane.edu

PLACE OF BIRTH: Yonkers, NY

EDUCATION:

1990-1994 Columbia College, Columbia University
New York, NY,
B.A. (Biology)

1994-1998 College of Physicians & Surgeons, Columbia University
New York, NY
M.D.

POST-GRADUATE TRAINING:

6/1998-6/1999 Intern, General Surgery
Strong Memorial Hospital
University of Rochester
Rochester, NY

6/1999-6/2003 Resident, General Surgery
Strong Memorial Hospital
University of Rochester
Rochester, NY

7/2003-6/2005 Fellow, Abdominal Organ Transplant Surgery
Recanati/Miller Transplant Institute
The Mount Sinai Hospital
New York, NY

11/2010 Leadership Development Program
American Society of Transplant Surgeons
Northwestern University Kellogg School of Management
Chicago, IL

6/2015 Surgeons as Leaders Course
American College of Surgeons
Chicago, IL

9/2015-8/2016 Clinical Leadership Development Program
Tulane School of Medicine, Office of the Dean

New Orleans, LA

- 12/2015 Mid-Career Women Faculty Professional Development Seminar
Association of American Medical Colleges
Austin, TX
- 6/2016 Being a Resilient Leader
Association of American Medical Colleges
Washington, DC
- 6/2017 - 4/2018 Fellow, Executive Leadership in Academic Medicine
Drexel University College of Medicine
Philadelphia, PA

ACADEMIC APPOINTMENTS:

- 7/2003-6/2005 Instructor in Surgery
Mount Sinai School of Medicine
New York, NY
- 10/2006-present Assistant Professor of Surgery and Pediatrics
Tulane University School of Medicine
New Orleans, LA
- 9/2009-present Surgical Director, Pediatric Kidney Transplant
Children's Hospital of New Orleans
New Orleans, LA
- 11/2009-present Adjunct Assistant Professor of Surgery
Louisiana State University
New Orleans, LA
- 6/2010-present Director, Transplant Surgery Fellowship
Tulane University School of Medicine
New Orleans, LA
- 9/2010-present Director, Adult Kidney and Pancreas Transplant
Surgical Program Director, Pediatric Kidney Transplant
Tulane University School of Medicine
New Orleans, LA
- 1/2011-present Henderson Chair of Surgery
Tulane University School of Medicine
New Orleans, LA
- 1/2012-present Associate Clinical Professor of Surgery and Pediatrics
Tulane University School of Medicine
New Orleans, LA
- 10/2014-present Chief, Department of Transplant
Tulane University School of Medicine

5/2016-present
Chair, Department of Surgery
Robert and Viola Lobrano Chair in Surgery
Tulane University School of Medicine

2017
Interim Program Director
General Surgery Residency
Tulane University School of Medicine

MEDICAL STAFF APPOINTMENTS:

8/2005-9/2006
Attending Transplant Surgeon
Albert Einstein Medical Center
Philadelphia, PA

10/2006-present
Attending Transplant Surgeon
Tulane University Hospital & Clinic
New Orleans, LA

10/2007-present
Attending Transplant Surgeon
Children's Hospital of New Orleans
New Orleans, LA

9/2009-present
Surgical Director, Pediatric Kidney Transplant
Children's Hospital of New Orleans
New Orleans, LA

11/2009-present
Attending Transplant & Hepatobiliary Surgeon
Louisiana School of Medicine
New Orleans, LA

9/2010-present
Director, Adult Kidney and Pancreas Transplant
Surgical Program Director, Pediatric Kidney Transplant
Tulane University School of Medicine
New Orleans, LA

10/2014-11/2015
Administrative Co-Director, Abdominal Transplant
Tulane Health System
New Orleans, LA

11/2015-present
Director, Abdominal Transplant
Tulane Health System
New Orleans, LA

CERTIFICATIONS:

10/2005
American Board of Surgery
General Surgery Certification
Certificate# 50470

1/2006
American Society of Transplant Surgeons
Completion of Certified Abdominal Organ Transplant Fellowship

12/2014 American Board of Surgery
General Surgery Re-Certification

LICENSES:

9/2006-present Louisiana, #MD.201122
6/2005-12/2006 Pennsylvania, #MD426690 (currently inactive)
8/1999-8/2006 New York, #215622 (currently inactive)
11/2012-present Mississippi, #22298

HONORS:

1992-1994 Dean's List, Columbia College
1993-present Senior Society of Sachems, chosen for continued commitment
to undergraduate student life, Columbia College
1992-1994 Junior and Senior Marshall, Columbia College
1994 Helen M.C. & J. Edward Stern Bio-Medical Scholarship
1994 Silver Crown Award, given to those students who held positions
of leadership throughout undergraduate career, Columbia
College
1995 Stanley Scholar, Columbia College of Physicians & Surgeons
1998 Michael J. Aranow Memorial Prize, awarded to the student best
exemplifying the caring and humane qualities of the practicing
physician, Columbia College of Physicians & Surgeons
2007 Invited Participant, National Consensus Conference on the Use
of DCD Donors
2017 Alpha Omega Alpha (AOA) Medical Honor Society

POSITIONS OF LEADERSHIP:

1992-1994 Resident Advisor, Columbia College
1993-1994 Student Director, Alumni Board of Directors, Columbia College
1995-1996 Student Representative, Alumni Board of Directors, College of
Physicians & Surgeons
1998 Editor-in-Chief, Class of 1998, College of Physicians & Surgeons
Yearbook
1998-2003 Class of 2003 Representative, Surgical Curriculum Committee,
University of Rochester, Department of Surgery

2001-2003	Resident Representative, Graduate Medical Education Committee, University of Rochester, Strong Memorial Hospital
2008-present	Co-chair, Quality Assurance/Performance Improvement Committee, Tulane Abdominal Transplant Institute
9/2009-present	Surgical Director, Pediatric Kidney Transplant Children's Hospital of New Orleans New Orleans, LA
2009-2011	Secretary, Medical Advisory Board Louisiana Organ Procurement Agency Metairie, LA
6/10-present	Director, Transplant Surgery Fellowship Tulane University School of Medicine New Orleans, LA
9/2010-6/2016	Director, Adult Kidney and Pancreas Transplant Surgical Program Director, Pediatric Kidney Transplant Tulane University School of Medicine New Orleans, LA
2011-2013	President, Medical Advisory Board Louisiana Organ Procurement Agency Metairie, LA
10/2014-11/2015	Administrative Co-Director, Abdominal Transplant Tulane University School of Medicine New Orleans, LA
10/2014-3/2016	Tulane Representative, Board of Governors Louisiana Organ Procurement Agency
6/2015-present	Chair, Search Committee for Anesthesiology Chairperson Tulane University School of Medicine
8/2015-present	Chair, Surgical Executive/Operating Room Committee Tulane Health System
11/2015-present	Director, Abdominal Transplant Tulane Health System New Orleans, LA
2017	Course Director, Masters of Clinical Research Methods with a Concentration in Surgical Skills Department of Biomedical Sciences Tulane University School of Medicine

PROFESSIONAL & SCIENTIFIC ORGANIZATIONS:

2001-present	American College of Surgeons
2008-present	American College of Surgeons (Fellow)
2002-present	American Society of Transplantation
2005-present	American Society of Transplant Surgeons American Hepatopancreatobiliary Association International Liver Transplant Society Association of Women Surgeons
2006-present	American Association for the Study of Liver Disease
2007-present	Louisiana Chapter of American College of Surgeons
2015-present	Society of Surgical Chairs
2015-present	Women Surgical Chairs Sub-committee

PROFESSIONAL SERVICE:

2006	Member, Research Subcommittee of the Medical Staff Board, Albert Einstein Medical Center, Philadelphia, PA
2006-2009	Appointed Member, Awards Committee, American Society of Transplant Surgeons
2006-2011	Member, Medical Advisory Committee, Louisiana Organ Procurement Agency
2007-present	Voting Member, UNOS Region 3, Regional Review Board
2007-present	Invited Reviewer, American Transplant Congress, Annual meeting of the American Society of Transplant Surgeons
2007-present	Member, Department of Surgery Graduate Medical Education Committee
2008-2010	Appointed Member, Membership Committee, American Society of Transplant Surgeons
2008-present	Invited Reviewer, The Liver Meeting, Annual meeting of the American Association for the Study of Liver Diseases

2007-2010	Invited Moderator, The Liver Meeting, Annual meeting of the American Association for the Study of Liver Diseases
2010-present	Invited Member, Local Applicant Committee, American College of Surgeons
2011-2013	President, Medical Advisory Board, Louisiana Organ Procurement Agency
2011-2014	Appointed Member, Communications Committee, American Society of Transplant Surgeons
2011	Invited Moderator, American Transplant Congress, Annual meeting of the American Society of Transplant Surgeons
2014-present	Site Reviewer, Members & Professional Standard Committee, United Network for Organ Sharing
2015-2016	Appointed Tulane Representative, Governing Board, Louisiana Organ Procurement Agency
2015	Nominated, Standards and Quality Committee, American Society of Transplant Surgeons
2016	Reviewer, Transplantation
2017-2020	Elected Region 3 Representative, National Kidney Committee, United Network for Organ Sharing
HOSPITAL COMMITTEES:	
2008-present	Co-chair, Quality Assurance/Performance Improvement Committee, Tulane Abdominal Transplant Institute
2008-2012	Performance Improvement Council, Tulane University Medical Center
2008-present	Transplant Leadership Committee, Tulane Abdominal Transplant Institute

2008-2016	Moderator, Tulane Abdominal Transplant Institute Morbidity & Mortality Conference
2011-2014	Team Leader, Tulane Abdominal Transplant Institute Root Cause Analysis Committee
2011-present	Reviewer, Peer Review Committee, Tulane University Medical Center
2013-2014	Physician Advisory Group, Computer Physician Order Entry (planning and implementation committee)
2014-2016	Member, Advanced Clinicals Committee, Tulane University Medical Center
2015-current	Chair, Surgical Executive/Operating Room Committee, Tulane Health System

UNIVERSITY COMMITTEES:

2008-2011	Graduate Medical Education Committee, Tulane University Medical Center
2007-present	Medical School Interviewer, Tulane University School of Medicine
2013-2014	Invited Member, Dean's Vision 2020 Committee
2014-2017	Elected Member, Tulane University School of Medicine Grievance Committee
2015-current	Appointed Member, Tulane University Conflict of Interest Committee
2015-current	Appointed Member, Medical Executive Committee, Tulane University School of Medicine
2015-current	Member, Clinical Operations Committee, Tulane University School of Medicine

2017 Executive Faculty Representative, Tulane School of Medicine
Dean's Faculty Advisory Committee

2017 Co-Chair, Tulane Professionalism Project

TEACHING

Fellows, Residents, Students:

2010-present Director, Transplant Surgery Fellowship

2006-present Faculty Speaker, Tulane General Surgery Grand Rounds

2007 Invited Grand Rounds Speaker, Tulane Nephrology and Pediatric
Grand Rounds

2006-present Instructor, Bedside teaching rounds of residents, fellows and
medical students on the Transplant/Hepatobiliary service

Residents & Students:

2006-2011 Moderator, General Surgery medical student core curriculum
(liver and hepatobiliary case conference)

2006-present Instructor, Operating room teaching of residents and medical
students

2006-2016 Faculty mentor, 1-2 general surgery residents

2008-present Moderator, Transplant Morbidity & Mortality Conference

2008-present Examiner, Annual mock oral examinations for senior surgery
residents (Tulane and LSU)

2013-2015 Instructor, Weekly didactic meetings with 1 resident on
probation

2017 Instructor, Tulane Surgery Intern Bootcamp

Students:

2008-2010 Moderator, General Surgery basic science core curriculum

2006-2016 Examiner, monthly oral examinations for medical students

2008-2009 Surgery Representative, PGY3 Career Day

2007 Independent Project with PGY 4: Kyle Fargen-
"Successful Use of HCV+ Donor Kidneys for Transplantation:
Caution on Use of Older Donors" (submitted and presented at
AASLD, November 2008)

2010	Independent Project with PGY4: Scott John- "Need for Pretransplant Cerebral MRA in PCKD Transplant Candidates"
2010	Independent Project with PGY4: Seeyuen Lee-"Changing Epidemiology of CMV Infections in Kidney Transplant Recipients Following Universal Prophylaxis in High Risk Population"
2010	Independent Project with PGY4: Thomas VanBuren- "Increased Acute Rejection in HCV+ Kidney Transplant Recipients"-submitted and presented at ATC 2011.
2011	Independent Project with PGY4: Adam Johnson "Analysis of Changing Immunosuppression Protocols on Infectious Complications"
2011	Independent Project with PGY1: Jorge Martinez "The Use of P-450 Inhibitors in Kidney Transplant Recipients: The Effect of Smaller AUCs on Rejection Rates"
2013	Independent Project with PGY4: Carl Winkler "Pre-transplant Imaging of the Portal Vein: Is it Useful or Predictive of Morbidity?" (abstract accepted to the World Transplant Congress 2014)
2014	Independent Project with PGY4: Danielle Kay "Risk Factors for High-Blood Loss in Liver Transplant"
2015	Preceptor, Clinical Skills for First-year students
2015	Independent Project with PGY4: Erin Dawson "Acute Graft Versus Host Disease in a Failed Kidney Transplant Recipient"
2015-current	Preceptor, Tulane Learning Community 6-7 First-year medical students
Nurses:	
2014-current	Faculty mentor, Transplant Nursing Monthly Educational Conference
External:	
2007-2008	Presenter, Tulane Transplant Symposium: Achieving Excellence in Abdominal Transplant
2010	Presenter, Tulane GI Cancer and Transplant Symposium: A Team Approach
2011	Presenter, Tulane Transplant Symposium: Care of the Complex ESRD Patient from Dialysis to Transplant

RESEARCH:

CLINICAL TRIALS

PRINCIPAL INVESTIGATOR

A Phase 2/3, Double-Blind, Placebo-Controlled, Two-Part Study (Part 1 Open-Label) to Assess the Safety, Efficacy and Pharmacokinetics of Single Intravenous Doses of ASP8597 (Diannexin) in de novo Kidney Transplant Recipients (closed)

A Phase 3, Double-Blind, Double-Dummy, Multi-Center, Prospective, Randomized Study of the Efficacy and Safety of LCP-Tacro Tablets, Once Daily, Compared to Prograf Capsules, Twice Daily, in Combination with Mycophenolate Mofetil for the Prevention of Acute Allograft Rejection in *De Novo* Adult Kidney Transplant Recipients (closed)

A Phase 3, Open-label, Multicenter, Prospective, Randomized Study of the Efficacy and Safety of Conversion from Prograf Capsules Twice Daily to LCP- Tacro Tablets Once Daily for the Prevention of Acute Allograft Rejection in Stable Kidney Transplant Patients (closed)

A Randomized Double Blind Study to Assess the Efficacy and Safety of Prophylactic Use of Maribavir versus Oral Ganciclovir for the Prevention of Cytomegalovirus Disease in Recipients of Orthotopic Liver Transplant (closed)

PRINCIPAL INVESTIGATOR

A Randomized, Open label, Parallel-group, Multi-center Trial to Compare the Efficacy and Safety of TachoSil versus Surgicel Original for the Secondary Treatment of Local Bleeding in Adult and Pediatric Patients Undergoing Hepatic Resection Surgery(open)

A Double-Blind, Randomized, Stratified, Multi-center Trial Evaluating Conventional and High Dose Oseltamivir in the Treatment of Immunocompromised Patients with Influenza (closed)

Belatacept Evaluation of Nephroprotection and Efficacy as First-Line Immunosuppression Trial-Extended Criteria Donors (closed)

Evaluation of Belatacept as First Line Immunosuppression in De Novo Liver Transplant Recipients (closed)

A Study of the Antiviral Activity of Entecavir in Patients Receiving Liver Transplant Due to Chronic Hepatitis B Infection (closed)

Killackey M, Debocorda, G, Akalin E, Schiano T, Emre S. Diabetes mellitus, hypertension and renal insufficiency post liver transplantation and the effect of HCV infection. Young Investigator's Forum, sponsored by the University of Colorado, Breckenridge, CO, March 2005.

CLINICAL TRIALS

Principal Investigator, A Phase 3, Double-Blind, Double-Dummy, Multi-Center, Prospective, Randomized Study of the Efficacy and Safety of Sponsor Tacrolimus Tablets, Once Daily, Compared to Prograf Capsules, Twice Daily, in Combination with Mycophenolate Mofetil for the Prevention of Acute Allograft Rejection in *De Novo* Adult Kidney Transplant Recipients

Principal Investigator, A Phase 2A, Randomized, Open-Label, Active Control, Multi-Center Study to Assess the Efficacy and Safety of ASKP1240 in *De Novo* Kidney Transplant Recipients,

Principal Investigator, A Randomized, Double-Blind, Placebo-Controlled, Phase 2 Trial to Evaluate the Efficacy and Safety of a Vaccine, ASP0113, in Cytomegalovirus (CMV)-Seronegative Kidney Transplant Recipients Receiving an Organ from a CMV-Seropositive Donor, Astellas Pharma Global Development, Inc.,

Principal Investigator, A Three-Part, Multi-Center, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group, Sequential Adaptive, Phase 2 Study to Evaluate the Safety, Tolerability and Efficacy of OPN-305, a Humanized, Monoclonal Antibody that Blocks Toll-like Receptor 2, in Renal Transplant Patients at High Risk of Delayed Graft Function, Opsona

PUBLIC SPEAKING EVENTS

Good Clinical Practice for Research, Tulane University School of Medicine Junior Investigator Training, Friday, February 3, 2017

Obstacles to Optimism: Creating your Success, Tulane University Women in Politics, Sunday, April 9, 2017
