Need to put together a PowerPoint presentation? A scientific poster presentation? Or are you searching for logos or photos to use for flyers, webpages and social media posts? Marketing and Communications at Tulane University School of Medicine is here to help!

We have templates and brand guidelines available to share and can help connect you with photos of many faculty members and facilities here on the downtown campus. [Check out all of the assets here.](#)

Isis Smith tapped to expand curriculum

The School of Medicine is pleased to announce that Isis Smith, MD, will assume the role of Curriculum Director for Equity, Diversity and Inclusion for medical student education. Dr. Smith brings both her expertise and passion for social justice and equity to this new position.

“Dr. Smith’s new role is one of many steps we are taking to continue to make Tulane a more equitable and inclusive place for all,” says Lee Hamm, MD, Dean and Senior Vice President of Tulane University School of Medicine. [Read more here.](#)
