## Thomas to lead AUA

Dr. Raju Thomas has been appointed President of the American Urological Association for 2021-2022.

"Dr. Thomas has personally led his outstanding departments in all aspects: clinical care, training and research," said Dr. Lee Hamm, Sr. Vice President and Dean of Tulane University School of Medicine. "We're tremendously proud the AUA has chosen to recognize his tremendous contributions to the field with this leadership role."
