FRIDAY AFTER CLASS

The Residents

“ My favorite thing about Tulane would be the camaraderie between all the residents, how inclusive and welcoming everyone has been.

Dr. Helene Chen, PGY1

“ What I appreciate most about Tulane is the combination of a great education along with a nurturing environment. The attendings are very approachable and pride themselves on being teachers first. They're always available for guidance and questions, and, at the same time, respect our autonomy while expecting us to make treatment decisions.

Dr. Ahmed Siddiqui, PGY4

“ I've really enjoyed the supportive environment at Tulane. I love that my co-residents are not just colleagues but close friends.

Dr. Cecilia Webb, PGY3
