# PAINLESS PARENTING PLEDGE

I,, pledge
to never use any form of physical discipline.
I will not hit, spank, whip or tap my child/children.

I know that corporal punishment can harm my child's physical, intellectual and psychological wellbeing, and damage our relationship.

I understand that science has proven that all forms of spanking are harmful, ineffective and can have negative effects on their brain.

I pledge to use effective parenting alternatives that model that hitting is not an acceptable tool for parenting, leadership or expressing emotions.
