

## Mental Health in Pediatric Primary Care

A didactic and case discussion series offered by  
**Tulane Early Childhood Collaborative**

### Young Children and Mental Health: An Overview of Tools and Tips for Pediatricians

*In this presentation, we will provide an overview of the various mental health/development concerns that may arise during a PCP visit for young children (e.g. trauma, ADHD, temper tantrums, toileting questions etc.), and what tools to use for each one. We will review the most commonly used handouts and other tips and tools from the TECC website and beyond*

**Thursday, May 27, 2021 12:00 -1:00 pm**

#### What It Is

- A virtual discussion forum for pediatric healthcare providers in the Greater New Orleans Area and Baton Rouge Metropolitan Area.
- Brief didactic: Learn about special topics in infant and early childhood mental health & how these issues are relevant to your practice.
- Clinician-driven discussion of clinical & resource questions.

#### How It Works

- Tune into Zoom on the fourth Thursday of the month, between 12:00-1:00 pm.
- To register, [click here](#)
