Match Day 2022

The annual Match Day ceremony took place in person for the first time since 2019. Family and friends gathered at The Capital on Baronne to watch as fourth-year medical students excitedly opened up their envelopes. 31 doctors will stay in Louisiana for the next part of their training, 21 of those will continue at Tulane.

Congratulations to the entire Class of 2022! [Click here for a slideshow from Match Day.](#)
