Managing Pain in the Primary Care Setting: Comprehensive Review and Emerging Therapies
Saturday, April 7, 2018
Hyatt Centric French Quarter

Jointly Provided By:

Crescent Health
Center for Continuing Education

Tulane University
Center for Continuing Education

7:00 am  Registration and Breakfast
7:45 am  Welcome and Introduction
8:00 am  Pain Physiology & Pharmacology
  Randall Brewer, MD
8:40 am  Medical Marijuana in Louisiana - Where Exactly Are We?
  Randall Brewer, MD & Cecilia Mouton, MD
9:10 am  Understanding the DEA and the Medical Board’s Role in Healthcare
  Warren Rivera
9:50 am  Break with Exhibitors
10:05 am  Patient Treatment Agreements & Pharmacy Monitoring Programs
  Randall Brewer, MD
10:25 am  The Opioid Epidemic: Patient Perspective
  Kate Nicholson, JD
10:45 am  Low Back Pain in Primary Care
  Lee Rielly, PhD
11:25 am  When to Refer to a Pain Specialist for Advanced Pain Therapies
  Randall Brewer, MD
12:05 pm  Psychological Assessment of the Pain Patient
  Geralyn Datz, PhD
12:45 pm  Lunch with Panel Discussion
1:30 pm  Managing Migraines in Primary Care
  Debra Davis, MD
2:10 pm  Legal Issues in Treating Pain in Primary Care
  Kate Nicholson, JD
2:50 pm  Treatment of Acute Pain: Assuring Compliance with Current Legislation
  Melanie Smith, PA-C
3:30 pm  Break with Exhibitors
3:45 pm  The Role of Physical Therapy in Chronic Pain
  Lee Rielly, PT, PhD
4:25 pm  Essentials of Psychological Treatment of the Chronic Pain Patient
  Geralyn Datz, PhD
5:05 pm  Emerging Trends and Questions
5:15 pm  Conclusion
Accreditation
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the American Medical Association (AMA) and the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Tulane University Health Science Center and Coneroll University Health Science Center. Tulane University Health Science Center is accredited by the ACCME to provide continuing medical education for physicians. Activities are planned in accordance with the ACCME guidelines and policies. The American Nurses Credentialing Center (ANCC) recognizes the continuing education activity as meeting the criteria for ANCC accreditation. The American Academy of Family Physicians (AAFP) designates this educational activity for a maximum of 8.5 AAFP Pres-Certification credits. Physician assistants should only claim the credit commensurate with the extent of their participation in the activity. Tulane University Health Science Center and Coneroll University Health Science Center do not endorse any product, content of presentation or exhibit. Participants are encouraged to utilize their judgment and experience while engaged in the practice of medicine. The contents of the presentations is provided solely by presenters who have been selected because of their recognized expertise.

Disclosure Policy
This activity has been planned and implemented in accordance with the ACCME® accreditation requirements to ensure balance, independence, objectivity and scientific rigor. All individuals responsible for content, regardless of role(s), are required to document financial relationships or the absence of relationships with commercial interests, and all potential conflicts of interest must be resolved prior to the activity. Disclosure of off-label or experimental or institutional use of drugs or devices must also be made to the audience.

Maintenance of Certification (MOC)
By participating in MOC, Tulane University CME permission to share your completion data with ACCME on your behalf. The ACCME will communicate with the appropriate board to issue your MOCII points.

ABIM: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 8.5 MOC points and patient safety MOC points to the American Board of Internal Medicine (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME provider’s responsibility to submit participant completion information to ABIM for the purpose of granting ABIM MOC credit.

ABA: Maintenance of Certification in Anesthesiology Program® and MOCA® are registered certification marks of the American Board of Anesthesiology®. MOCA 2.0® is a trademark of the American Board of Anesthesiology®. This activity contributes to the patient safety CME requirement for Part II: Lifelong Learning and Self-Assessment of the American Board of Anesthesiology’s (ABA) redesigned Maintenance of Certification in Anesthesiology Program® (MOCA®). Known as MOCA 2.0®, please visit the ext website: www.chab.org, for a list of all MOCA 2.0 requirements.

Overview
The purpose of this activity is to increase physician knowledge regarding treating chronic pain patients. In order to provide the highest quality of patient care, physicians must know the types and causes available in treating this complex patient population. Providers should understand the mechanisms and types of pain as well as become familiar with the classes of medications, physical modalities, and interventions utilized to treat chronic pain.

Statement of Need
In light of the federal government’s recognition of the national opioid epidemic and the release of the CDC Guideline for Prescribing Opioids for Chronic Pain, physicians need to recognize and understand the importance of a multi-disciplinary and multi-modal approach to treating chronic pain.

Who Should Attend
Primary Care, Internists, Nurses, Mental Health Professionals, Physical Therapists, 

Physician Competencies
This symposium is designed to address competencies as defined by the ACCME/ABMS, the Institute of Medicine (IOM), and the Interprofessional Education Collaborative (IPEC).
