The development of a safe and effective HIV vaccine is one of the greatest biomedical research challenges of our time. The HIV Vaccine Trials Network (HVTN) is now accepting applications for Research and Mentorship Program (RAMP) Scholar Awards to attract African-American and Latinx medical students who want to make a difference in their communities and contribute to the development of an effective HIV vaccine.

Please visit [hvtn.org/RAMP](http://hvtn.org/RAMP) or contact: Jenna Udren at [judren@fredhutch.org](mailto:judren@fredhutch.org)

Applications are due January 8, 2019.
Deadline for initial contact with mentors is December 7, 2018
