

TULANE MEDICAL CENTER

TULANE LAKESIDE HOSPITAL

Help us ensure we have the PPE to keep each other safe. **PROPERLY LABEL YOUR N-95 MASKS.**

Using a black permanent marker, all N-95 respirators must be labeled with:

- The three-digit site code and two-digit location identifier
 - Tulane Medical Center: **BYF-TU**
 - Tulane Lakeside Hospital: **BYG-TU**
- Colleague's last name
- Colleague's department
- Colleague's 3-4 ID

Unless your N-95 is visibly soiled, please make sure to discard it in a green recycle bag located on the unit.

Thank you for your cooperation.
