Tulane Telehealth provides 24/7 access to urgent care

There's a new option available for people who want to avoid a long line at an urgent care clinic. Tulane Telehealth provides immediate 24/7 virtual access to licensed providers through its mobile app or website. It takes just minutes to connect with a provider and access general medical care for many non-emergency illnesses. Tulane Telehealth even provides concierge coordination if the condition requires seeing a specialist for follow up care. [Learn more and register here.](#)
