Announcements

-Multiple laboratory tech positions are available through the newly funded NIH project grant “Estrogens, Cardiometabolic Health, and Female Cognitive Aging”. Project leaders include Sarah Lindsey (Pharm), Ricardo Mostany (Pharm), and Andrea Zsombok (Phys) on the Downtown campus as well as Jill Daniel (Psych) and Laura Schrader (CMB) on the Uptown campus. Projects are at the intersection of neuroscience, cardiometabolic function, and women’s health. For more information contact lindsey@tulane.edu

-Yi-Ping Li’s lab in the Department of Pathology, Tulane University SOM currently has multiple full time technicians and student research assistant positions open. The students interested may be from departments majoring in life science, chemistry, physics, computer science, engineer science, mathematics or pre-medicine.

Resources

Student Affairs Professional on Call: The Division of Student Affairs provides a 24/7 professional staff on call for urgent situations and can be reached by calling (504) 920-9840 or by filing a report online here: https://tulane.edu/report-urgent
