

NEW FACULTY HIRE

Katelyn Brigg, MD Assistant Professor of Medicine

About Dr. Katelyn Brigg:

Dr. Katie Briggs joined the Section of General Internal Medicine as an Assistant Professor of Clinical Hospice and Palliative Medicine in 2018. She works as an outpatient physician at the University Medical Center Palliative Care Clinic.

Dr. Briggs received her Bachelor of Science in Biological Science at the Florida State University in Tallahassee, Florida. She obtained her Medical Doctorate from the University of South Florida in Tampa, Florida. She completed her residency in Internal Medicine at the University of Alabama at Birmingham, where she stayed on to complete her fellowship in Hospice and Palliative Medicine. She received her board certification in Internal Medicine in 2017.

Dr. Briggs is interested in advanced care planning in the outpatient setting and symptom management during concurrent treatment, as well as at the end of life.
