Simulation Committee Agenda

I. Call to order (Chris DuCoin)  
   Quick discussion of new simulation committee, purpose, and goals.  
   5 minutes

II. Introductions and Networking (Roundtable)  
   All attendees introduce themselves and give brief description of their role, their interest in simulation, and any simulation activities they currently run.  
   15 minutes

III. Sim Center capabilities update (Jennifer Calzada)  
   Quick overview of current Sim Center capabilities, equipment, simulators and task trainers, and resources and support provided by the Sim Center staff.  
   10 minutes

IV. What do you want to get out of this? (Roundtable)  
   Open discussion of what you want to get out of this committee? What further support do you need from the Sim Center? Where do we go from here?  
   20 minutes

V. Future Dates and Wrap Up (Chris DuCoin)  
   Open discussion of timing of committee meeting and future dates.  
   10 minutes
