

Tulane Clinics moving appointments from Tulane Medical Center Campus

To help reduce the spread of respiratory illnesses and reduce the number of people entering the hospital, some of the Tulane Clinics located on the downtown Tulane Medical Center campus have temporarily shifted some services to other locations. Below is a list of affected downtown clinics:

- Tulane Behavioral Health Clinic - [\(504\) 988-4794](tel:(504)988-4794)
- Tulane Cardiology Clinic - [\(504\) 988-6113](tel:(504)988-6113)
- Tulane Dermatology Clinic - [\(504\) 988-1700](tel:(504)988-1700)
- Tulane ENT Clinic - [\(504\) 988-5451](tel:(504)988-5451)
- Tulane Internal Medicine Clinic - [\(504\) 988-1001](tel:(504)988-1001)
- Tulane Multispecialty Clinic - LaSalle - [\(504\) 988-5030](tel:(504)988-5030)
- Tulane Neuroscience Center - [\(504\) 988-5561](tel:(504)988-5561)
- Tulane Ophthalmology Clinic - [\(504\) 988-5831](tel:(504)988-5831)
- Tulane Orthopedic Clinic - [\(504\) 988-2177](tel:(504)988-2177)
- Tulane Physical Therapy - [\(504\) 988-5194](tel:(504)988-5194)
- Tulane Pulmonology Clinic - [\(504\) 988-8600](tel:(504)988-8600)
- Tulane Surgery & GI Clinic - [\(504\) 988-5110](tel:(504)988-5110)
- Tulane Transplant Institute - [\(504\) 988-5344](tel:(504)988-5344)
- Tulane Urology Clinic - [\(504\) 988-5271](tel:(504)988-5271)

Patients with appointments that are being moved to other locations are being contacted directly. If you have any questions about your appointment, please call your clinic—all clinic locations will remain open and staffing phone lines during normal business hours. Additionally, we are exploring telemedicine options to allow our patients to make virtual visits with our Tulane Clinic physicians. We will communicate details when they are available.
