Improving the crosswalks around Murphy

We've heard your concerns about the pedestrian crosswalks at the intersection of S. Robertson and Cleveland outside the Murphy Building. The City of New Orleans Department of Public Works is reviewing the intersection, and city officials believe the pavement quality is causing the paint to fade quickly. We'd like to keep this issue on the city's radar, and you can help!

Make a report to the city by using [the 311 system](#) and/or email Councilmember Lesli Harris' office at Lesli.Harris@nola.gov and cc: matthew.schoenberger@nola.gov.

Here's a suggested template:

I am a _____ at Tulane University School of Medicine and I respectfully request that DPW stripe the crosswalks at the intersection of S. Robertson and Cleveland. This is service request: 2022-908078. I frequently cross this intersection and it is unsafe.

Thank you for your attention to this matter.

Sincerely,

Jobs at Tulane SoM
