

Inside TulaneMed

Lauren Teverbaugh named Robert Wood Johnson Clinical Scholar

Pediatrician and child psychiatrist Dr. Lauren Teverbaugh, MD, has been selected as a Clinical Scholars Fellow. [READ MORE](#)

Message from Dean Hamm

Together but apart, we can beat the spread of coronavirus. This seemingly paradoxical combination appears to be the best means of reducing the spread of COVID-19 in our city, state and on our college campuses.

School of Medicine rises to COVID-19 challenges

The Centers for Disease Control awarded \$700,000 for COVID-19 research to a Tulane University team including assistant professor Dahlene Fusco, MD, PhD.

Hinkle returns to Tulane School of Medicine

David Hinkle, MD, will be named the Oliver and Carroll Dabezies Endowed Chair in Ophthalmology.

Maraganore is dedicated to dementia prevention and brain health

Demetrius “Demetri” Maraganore, MD, is now the Herbert J. Harvey, Jr. Chair in Neurosciences and Chair of the Department of Neurology.

Thannickal named to lead Deming Department of Medicine

Victor J. Thannickal, MD, will join School of Medicine's John W. Deming Department of Medicine in January 2021.

Scholarship support can unlock lifelong dreams

As the School of Medicine endeavors to recruit more diverse classes made up from students from a wide range of backgrounds, scholarship support becomes even more important.
