Meet service dog partner of PhD candidate

Taylor Johnson is a PhD candidate in the Aging Studies program at Tulane University School of Medicine. Five years ago, she was diagnosed with Ehlers Danlos Syndrome, which left her bedridden for some days.

Then Johnson met Annie, a service dog from The Big House to Your House, an organization which trains and cares for dogs. With Annie's help, Johnson was able to get back on her feet.

"The directors and trainers say they can match the dogs with personality traits in humans," said Johnson. [Read more here.](#)
